RESPONSE TO NOTIFICATION OF
NON-COMPLIANT APPEAL BRIEF

Mail Stop Appeal Brief
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Notification of Non-Compliant Appeal Brief dated February 19, 2008 (the "Notification"), Applicants submit herewith an Appeal Brief corrected to indicate in Section 10, the Evidence Appendix, where the evidence presented by the Applicants was entered in the record.

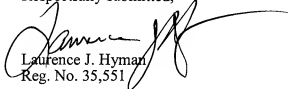

REMARKS

The Notification indicates that Section 10 of the Appeal Brief filed by the Appellants did not "contain copies of the evidence submitted under 37 CDR 1.130, 1.131, or 1.132 or of any other evidence entered by the examiner **and relied on by appellant in the appeal**, along with a statement of setting forth where in the record that evidence was entered by the examiner, as an appendix thereto." (Emphasis in original). In a telephone discussion with Examiner Zeman on April 8, 2008, the undersigned counsel was advised by Examiner Zeman

that a correction of Section 10 required submission of a corrected Appeal Brief. Accordingly, Appellants are submitting with this transmittal an Appeal Brief containing a Section 10 corrected to state where the evidence was entered by the Examiner. Examiner Zeman also advised in that discussion that the corrected Appeal Brief should also contain a correction previously made in Section 3 to state which claims are under appeal. That correction has therefore also been incorporated into the Appeal Brief submitted herewith.

The corrected Appeal Brief is believed to be fully responsive to the Notification. The reviewer is invited to telephone the undersigned at 415-576-0200 if there are any remaining matters impeding consideration of the Appellants' appeal.

Respectfully submitted,

Laurence J. Hyman
